### **Bristol Bay Eastside Salmon Update #47**

This is the Alaska Department of Fish & Game in King Salmon with an update for permit holders in the Ugashik District. The time is 6:00 p.m. and the date is Tuesday, July 11, 2023.

#### **Ugashik District**

Ugashik Tower escapement through 2:00 p.m. today was 37,000 fish, bringing the season total to 131,000. The lower bound of the escapement goal range is 500,000. Current passage rates are moving in the right direction; however the trend needs to continue before the next fishing period can occur.

Ugashik River fishermen should stand by at 12:00 p.m. Wednesday, July 12 for the next possible announcement.

This has been the Alaska Dept. of Fish & Game in King Salmon.
