

PROPOSAL 163

5 AAC 56.140. Kasilof River guiding and guided fishing requirements.

Reduce the time fishing from and anchoring a guided vessel is allowed in the Kasilof River as follows:

Kasilof early run king fishery May 15 through June 30 6 Am to 6 PM from a guided boat and no anchoring from a guided boat until 6 am.

What is the issue you would like the board to address and why? The current issue is the over guided effort on Kasilof early king run, it's my belief that over the years residents back off when over crowded conditions exist. Plus it would allow a few more fish to make passage into crooked creek.
