

**PROPOSAL 169**

**5 AAC 57.120. General provisions for seasons, bag, possession, annual, and size limits, and methods and means for the Kenai River Drainage Area. and 5 AAC 56.122. Special provisions for the seasons, bag, possession, annual, and size limits, and methods and means for the Kenai Peninsula Area.**

Change the definition of “bag limit” for sockeye salmon in the Kenai and Kasilof Rivers as follows:

Allow for hook & hand in the sockeye fishery on both the Kenai & Kasilof Rivers, and the limit applies to the angler who lands the fish not who hooked the fish.

**What is the issue you would like the board to address and why?** Many anglers especially, old people, young kids, or beginner anglers need help in hooking sockeyes.
