

PROPOSAL 188

5 AAC 57.122. Special provisions for the seasons, bag, possession, and size limits, and methods and means for the Middle Section of the Kenai River Drainage Area.

Prohibit bait and multiple hooks in Hidden Lake as follows:

Hidden Lake is single hook no bait January 1st - December 31st

What is the issue you would like the board to address and why? Hidden lake is the only clear water lake trout (*Salvelinus namaycush*) fishery on the Kenai Peninsula. These fish are slow growing and can be easily pressured. Looking to protect the fishery as additional use become more prevalent with more local closures.
